The Primetime Post

Are you ready for another year with Primetimers?

Our season ended with a festive Hawaiian Luau. Dinner music was provided by Ed Osiecki and the Primetimers Band. Ed has entertained for many years beginning in high school, then college and the army band. He moved to Charlotte from Pennsylvania in 1985 to work with PTL . . . on his way to Central where Ed performs with the Central orchestra.

Our wonderful dinner was followed by a musical variety show provided by Kenny Durbin and his incredibly talented family and students. Kenny and his wife, Brenda, sang the Hawaiian Wedding Song. Kenny's gifted students, Nick Pressley and Cole Dorazio, sang and played the trumpet. Young ladies danced, and Kenny's entire family played instruments! We had a fabulous evening to remember!

We enjoyed a record attendance at our summer movie matinee in July. Danny Kaye made us laugh our way through "The Court Jester" that was filmed in 1955. Primetimers ate 84 gallons of freshly-popped popcorn and lots of chocolate, washed down with soda galore. It was fun!

A wonderful video about Primetimers was created by Bobby Garn. It still surprises me that many people in church don't know about us.

Thank You Bobby!

Bible Study by Louise Douglas

A Letter from Parson Jones:

Attendance at church last Sunday was mighty poor. I don't recon I outa grumble 'cause I had a bunch of sick members, and when you add to that all my shut-ins we don't have a lot of pew-fillers so I went ahead and preached to what I had. Only thing was the echo in the near empty church hurt my ears. My wife said I needed to get out and ride awhile and let the fresh air clear my head. It done the trick. Our little ride not only cleared my head, it made me feel right good inside. Old Hezekiah who had been deathly sick that very morning had roused up and was riding down the highway with his fishing poles. Nothing but a miracle could rescue old Hez from the jaws of death in such a short time. Now there's Rufe's brother. Rufe told me Sunday morning that his brother's back was in foul shape, that they was afraid a operation was gonna be necessary. Well, we remembered him in our prayers, and lo and behold, at two o'clock there he stood at the driving

range hitting golf balls. If that wasn't a quick recovery, I don't know what is. All told, about 20 of my sick folk had roused up and was taking nourishment in one form or another. But what really made me happy was to see so many of my shut-ins out riding around and enjoying the world. Hezekiah's paw, who don't attend church 'cause he can't stand crowds, was headed for the drag races. Sister Nell's mama, who'd been too weak to get out of the house, was in town shopping. Ellen Nিকেleinger's sister, who can't come to church on account of her liver, stood in line two hours to get into the show. It was about the "Miracle Worker." I thought it was right appropriate, seeing how a miracle happened to her. Yes, sir, it thrilled my heart to see what I saw. I ought to have a packed house next Sunday, with all my sick folks healed and shut-ins being set free. I hope they don't over-do themselves before next Sunday and have a relapse.
